

CITY COUNCIL

CITY AND COUNTY OF HONOLULU
HONOLULU, HAWAII

No. 17-107

RESOLUTION

ADOPTING A REVISION TO THE PUBLIC INFRASTRUCTURE MAP FOR THE
PRIMARY URBAN CENTER DEVELOPMENT PLAN AREA.

WHEREAS, the Public Infrastructure Map (PIM) for the Primary Urban
Center Development Plan (PUC DP) Area has been adopted under Council
Resolution 04-246, CD1; and

WHEREAS, Chapter 4, Article 8, Revised Ordinances of Honolulu 1990, as
amended, requires a major public facility, including a government building, to be shown
on the appropriate public infrastructure map for a development plan area before the City
Council may appropriate land acquisition or construction funds for the facility; and

WHEREAS, the Department of Design and Construction has requested a PIM
revision that would add a government building symbol for the Kapalama Hale project as
shown on Exhibit A, and identified as Tax Map Keys: 1-5-015:016 and 017, which
would allow for land acquisition with improvements and renovation of Kapalama Hale to
consolidate city offices from multiple leased spaces into a single location at Kapalama
Hale, and realize significant cost savings over time, while also providing an upgraded
service location for customers island-wide;

WHEREAS, the City Council finds that the placement of a government building
symbol on the PUC DP PIM is necessary to fund the acquisition of land with
improvements and renovation of the Kapalama Hale; and

WHEREAS, the government building symbol shown on Exhibit A, is consistent
with the adopted General Plan and the PUC DP; now,

BE IT RESOLVED by the Council of the City and County of Honolulu that the
PIM for the PUC DP area be revised to include a symbol for a government building for
the Kapalama Hale project as shown on Exhibit A; and

BE IT FURTHER RESOLVED by the Council of the City and County of Honolulu
that the government building symbol shall be deleted from the PIM by administrative
procedure once completion of the facility has been certified in writing by the
applicant/agency to the Department of Planning and Permitting and the City Council;
and
